

Lightning Creek Ski Club

Meeting Minutes

February 13th, 2020

6:00Pm

Attendance: Falko Kadenbach, Michelle Klapatiuk, Karcsi Peter, Julie Backer, Marianne Van Leusden, Jennifer Boudreau, Roland Jarrett

Regrets: Anita Slovak

President's Report:

The club had a great Teck race with some of the best snow condition ever at troll. The entire team did great resulting in an absolutely fantastic event. Good job.

The Alpine team has been busy travelling and racing at various events around the province. Apparently they are going fast everywhere they are going.

A few items have been brought up for the club cabin this coming summer. They include an exhaust fan to be installed for better ventilation while waxing, a third cabinet for battery operated devices, and flashing for the post and beams in the front of the building to keep them from rotting. Everything from the teck race was reorganized for longer term storage the other day. A few other items like light bulbs should be purchased so we have some spares.

NGSL athletes are prepped for the north zone festival coming up Feb 15-16. Wade will be training the junior Alpine group while the majority of the Alpine group goes to the BC winter games.

Treasurer's Report: Tabled

Special Olympics Report: Registration forms handed in. A request has been made to Anita for invoices for the registration fee for 13 members at \$20 per person. Try-it Day was good, we will have new members next year because of it.

Registrar Report: Nothing at this time

Alpine Report: A lot of racing happening. 15/19 High-school kids qualified for the provincials in Smithers. The Bike Club is hosting an Enduro in May and have requested the use of our radios. The executive agrees to this.

Teck Race- we would like to do a debriefing before and after to work on race success. Discussions around radio communication protocols, gates etc would prove helpful.

NGSL Report:

Fun Race – was a great success. Cookies were so good!!

Troll Nancy Greene 1 day race-preparations are in the works. Still need volunteers.

Coaches Report: Our Coaches are doing good, stepping up and supporting the athletes.

Ongoing Business

Next Meeting: March 9, 6:00 at Begbies

Adjourned:
