

## Lightning Creek Ski Club

Dec 10, 2021

6:00 PM

**Attendance:** Falko Kadenbach, Michelle Klapatiuk, Rene Tudhope, Kristyna Tomek, Karcsi Peter, Michelle Delaney, Julie Backer, Jennifer Boudreau, Dave Frappier

**Regrets:** Sean Scallion, Marianne Van Leusden

### **President's Report**

We have decent sized groups this year with up to 57 participants. We are a bit tight on coaching staff and will need to make things work with the few spares that we have. Some club cabin maintenance has been done. Michelle K did a big clean up this past weekend and Tyler was able to help replace the cracked glass. There is additional building maintenance to be done this winter which will require some volunteers. Signs and banners are being updated with current sponsors. Our calendar will also be updated as race dates are finalized. Sponsors were updated on the email signature and the website has been updated as coaching bios have come in. Will continue to work on it. Some efforts will be needed over the next season or two to train up the next generation of people in certain areas to take over volunteers that are phasing out of the club. Someone to learn and take over timing from Mike will be needed. Our upcoming officials course should help us along there.

We had good enthusiasm and energy from the alpine team, who started up this past weekend.

### **Nancy Greene Report**

We'll be updating our inventory for gear.

### **Treasurer's Report**

Chequing account: \$ 60 500

Gaming account: \$ 9800

## **Registrar Report**

Ski Assessment / Registration Process—we will have to see how some of the participants. Registration has gone well overall. There will be some refunds and other extra invoices coming in depending on what program kids end up falling in after assessment day and as we finalize registrations. The treasurer is to be notified to look out for payment changes.

Registration/assessment process for next year: instead of forwarding new registrations to Falko, there will be an email response for those who have failed the pre-assessment form to come to assessment day to be further evaluated for placement by coaches.

## **Alpine Report**

Alpine has started up as of last weekend. There are lots of on-snow days coming up over winter break. There are currently 26 kids on the high school teams being coached by Mike and John. There was a parent meeting. Location for provincials is still pending. Kimberly is the first out of town race, accommodation has been booked.

**Next Meeting:** January 12<sup>th</sup> at 6:30.

Adjourned: 7:20
