

Lightning Creek Ski Club  
November 23, 2022  
7:00 PM

**Attendance:**, Falko Kadenbach, Karsci Peter, Kristyna Tomek, Sean Seabourne, Dave Frappier, Michelle Delaney, Julie Backer

**Regrets:** Marianne Van Leusden, Sean Scallion, Kerensa Medhurst, Jennifer Boudreau, Rene Tudhope

### President's Report

We have had snow falling at Troll and I can hear the skis being waxed and sharpened throughout the village. We are getting ever so close to Troll opening. I can hardly wait.

**Motion** to purchase a token of appreciation (gift certificate) for Julie as organizer of the pub night: Moved by Falko. Motion carried with all in favour.

**EL & DL course**—We will talk to NG parents for the EL course to see if we can get enough people together; The club would like to cover the fees for Grace to do the DL course. Grace is interested but may be too busy at the moment. Falko also potentially interested.

**Officials 2 Course**—Went well. 7 people attended. Good refresher on all the rules and responsibilities. involved in running big races. Will be good to start to build a team for upcoming Teck race (Jan 14-15th).

**Speed Training**— needs to be decided by Alpine director and coaches.

**Pre season training**—Scott will let us know when the silver is ready.

**Race organization committee**—Kerensa has started the committee. Some files have been added to the drive.

**Registration**—is currently paused due to issue with payment of general membership fees until registrar is able to sort this out.

**Club Jackets**—Kerensa is trying to organize getting more jackets in alpine sizes.

**Sponsors**—only waiting on confirmation from Artemis Gold. Falko has updated website and will be updating email signature and signs. We lost a few sponsors this year and gained Gibraltar Mine. We have around \$13 500 coming in from sponsorship.

**Movie event**—Falko is working with Holder to try and organize another Matchstick movie night/Food bank fundraiser at the theatre.

### Treasurer's Report

The bill for this past weekend's course will be coming in.

Chequing account: \$90 543.91

Gaming account: \$13 288.57

## **Nancy Greene Report**

About \$45 000 came out of pub night. We have yet to determine where these funds will be allocated. Some of funds will go towards the contributing fund for the large grant we applied for.

## **Alpine Report**

Most of our alpine athletes are now registered. Jackets will be ordered once final numbers are in.

## **Facilities Report**

**Timing equipment**—Mike and Sean continue to work on wiring of timing equipment. The hope is to get all the on-hill work done this coming weekend. Looking for a few more volunteers

**Club ski racks**—Sean is looking for suggestions for design of ski racks in clubhouse which will need to be built and going in soon.

## **Coaching Report**

Based on current numbers we are expecting about 20 kids in NG and we have the coaching resources for that. A few NG coaches will need to help with alpine this year with our large number of alpine athletes. Karcsi will be taking on part of this role. The weekend of the Winter Games and U14s we will be bringing in outside help for training as many of our coaches will be away. We will likely have 3 coaches away for the NG Festival at Sunpeaks, (Tyler, Michelle, Karcsi). We continue to face the challenge of needing to bring in parents of the younger athletes in our program to sustain longevity of the club.

**Adjourned:** 8:00 pm

**Next Meeting:** December 14th, 7 pm
