Absent

### **Alpine Report**

Kerensa will start reaching out to U12 and older families to see who is interested in what programs. A draft of contracts has been done for Emma and Grace. There are no leads yet but we are still seeking a 3rd coach. The postponed BC Winter Games will be happening this year at Silverstar (canceled event from last year).

### **Registrar Report**

We have decided not to include a 3 day training option this year. We will let parents know that athletes in the 4 day program are welcome to only attend 3 days if that is what they want. We are still looking at ways to improve our process for BC Alpine membership for parents.
